I understand that treatment for oral health, general medical and behavioral health services may be obtained at my primary provider's office and that obtaining duplicate services may affect my benefits received from private, state or federal insurances or third-party provider of dental benefits.

I consent to all of the following:

- The Sault Area Public Schools may release information to the Sault Health Adolescent Care Center for the purpose of receiving treatment. This includes school photos for the purpose of identification.
- The above-named student may receive all services listed below at the Sault Health Adolescent Care Center (SHACC). If I am requesting any changes to this consent, I will submit the changes to the SHACC in writing separately.
- The completion of a risk assessment by the above-named student.
- The Sault Health Adolescent Care Center may release information regarding treatment to third party payers or others for the purpose of receiving payment for services. If required by law, separate release forms will be used at time of service.
- Both the Sault Health Adolescent Care Center and my child's primary care physician may exchange health care information for the purpose of continuity and coordination of care according to State and Federal laws.
- The Sault Health Adolescent Care Center may obtain a copy of the above-named student's/patient's immunization record from the student's/patient's school office, and/or their primary care provider's office.
- This consent form will remain active and on file at the Sault Health Adolescent Care Center while my student is enrolled in the Sault Area High School, Malcolm High School, Sault Middle School or Sault Area Career Center unless rescinded by me in writing.

Consent and Statement of Understanding Regarding Telehealth (Online Therapy) Sessions

I understand there are some strengths and some limitations with participating in telehealth. I assume the risk of poor internet connection with my devices or lack of privacy in my home. I am aware and agree that telehealth is not an appropriate option for emergency services. If I experience suicidal/homicidal thoughts, or if some other crisis occurs, I am aware and agree that I will be referred for in-person crisis services to my local emergency room or community mental health emergency services. I authorize my therapist to contact my parent or emergency contact if they believe I may be in any danger during the therapy session.

I understand that there is a possibility that our technology may fail during a telehealth session, and that there may be an interruption. Such an interruption may necessitate a need to continue by phone, or the session may need to be rescheduled.

I understand that my provider or I can discontinue the telehealth consult/visit if it is felt that the telehealth service is not adequate for the situation.

Telehealth services will be provided through Doxy.me HIPAA compliant telemedicine.

I understand to maintain my confidentiality, I will not share my telehealth appointment link with anyone unauthorized to attend the appointment.

I hereby authorize Sault Health Adolescent Care Center to use telehealth technology for my therapy sessions. By signing below, I acknowledge that I have read, understood, and have been able to ask any questions about this service, and that these questions have been answered to my satisfaction.

☐ Yes, I agree to Telehealth services ☐ No. I do not agree
