

Breast & Cervical Cancer Screening Program

Don't Let the

Keep You From Being Screened!!

The Breast & Cervical Cancer Control Program (BCCCP) can assist women age 40-64 in getting a health screening.

If you've already receive a women's health exam and require follow-up care or procedures, BCCCP may be able to assist with costs.

Call Jill at 635-1566, option 2.

A \$25 Gas Card will be given to new program enrollees!
